 water surface 1299 feet above sea level
 maximum length 5500 feet
 maximum width 2800 feet
 maximum depth 48 feet
 average depth 25 feet

Go Wild!
 Go wild about lake protection!
 Leave a "no-mow", well vegetated, buffer strip along your shoreline to prevent erosion, filter runoff and create wildlife habitat.

A good faith effort has been made to be accurate, complete and consistent. We extend our apologies for any errors.
