

## **MEMBERSHIP COMMITTEE REPORT**

For the 12-month period ending June 2023

Committee activities for this period included keeping abreast of property transfers around the lake, updating changes in watershed property owner contact information and initiating the 2023 Lake Parker Association membership drive.

In 2022 LPA had a total of 71 memberships, which included 70 full memberships and 1 associate member. 2022 memberships were comprised of:

- 67 lakeshore property owners (75% of all Lake Parker waterfront properties)
- 2 properties directly adjacent to the lake
- 1 off-lake household within the watershed
- 1 former Lake Parker property owner (Associate)

While we are on track for maintaining the same membership numbers for FY2023, our objective continues to be increasing our membership to include all property owners who have a vested interest in the health and welfare of Lake Parker and its environs.

Respectfully submitted,

Linda Alderton, chair  
LPA Membership Committee
